THE PROTECTOR NETWORK DELIVERS SAFETY AND SECURITY TOOLS, TIPS TO PROPERTY AND CASUALTY INSURANCE CLIENTS IN NEVADA

*Complimentary Membership Now Available to All Residential, Auto, and Business Clients of
Nevada Capital Insurance Company*

RENO, Nevada – July 16, 2007 – The Protector Network, a benefits provider of safety and security tools and information, may change what people expect from their insurance provider. Now available as a complimentary membership to auto, residential, and commercial policy clients of the Nevada Capital Insurance Company, The Protector Network provides continuous services to help insured households and businesses reduce risks, prevent catastrophes, and respond to emergencies.

"A majority of people don't have an insurance claim during the life of their policy. They get peace of mind in case something bad happens, but little else." says Sandie Borthwick, Membership Administrator of The Protector Network. "We're out to change the run-and-hide reputation associated with ordinary insurance by showing that insurers can and ought to be by your side, continuously. We believe that's what people want, but couldn't find until The Protector Network came along."

The Protector Network provides members with free access and discounts to safety and security services, including disaster notification service, legal network of local and national law firms, anti-virus and spyware software protection from McAfee, and remote secure data backup. Other benefits feature informative and actionable tips, solutions, and recommended products to assist Nevada Capital Insurance clients with their safety planning and protection.

The Protector Network assists individuals, families, and communities with risk prevention, preparedness, rapid response and safe lifestyle services, products, tools, solutions, benefits, and privileges. This is the only program of its kind to present customers with the opportunity to take advantage of easy-to-use safety solutions for both auto and home utility.

Membership is available exclusively through local independent Nevada insurance agents representing Nevada Capital Insurance Company. For more information about The Protector Network visit www.theprotectornetwork.com/nv5 or call 1-877-876-9103 ext. 5 to locate a local advisor.

###
